Completing the Application Form

This application must be **correctly and fully** completed. It is your responsibility to provide the necessary documentation, including to prove that you meet the Confirmation of Aboriginality criteria. You must provide a copy of your **full birth certificate**. If you do not provide sufficient documentation, then your application will not be considered by the Koya Aboriginal Corporation's Board and will be returned to you for completion.

The Confirmation of Aboriginality remains entirely at the discretion of the Koya Aboriginal Corporation's Board. Despite an application being complete, if the Koya Aboriginal Corporation's Board does not have any knowledge of the applicant or their family heritage, they will not approve the Confirmation of Aboriginality. This does not mean that the Board does not consider a person to be Aboriginal. It only means that the Board is unable to confirm a person's Aboriginality.

An individual or another family member gaining an Aboriginality confirmation from a previous Koya Aboriginal Corporation's Board, does not automatically mean the current Board will grant an Aboriginality confirmation.
